- ✓ Teacher and Peer Support

- Attend regularly and hand in work on time.
- Have a positive attitude.
- Learn self-regulation & problem solving.
- Communicate.
- Get involved, clubs, sports and volunteer.
- Connect and have healthy habits.

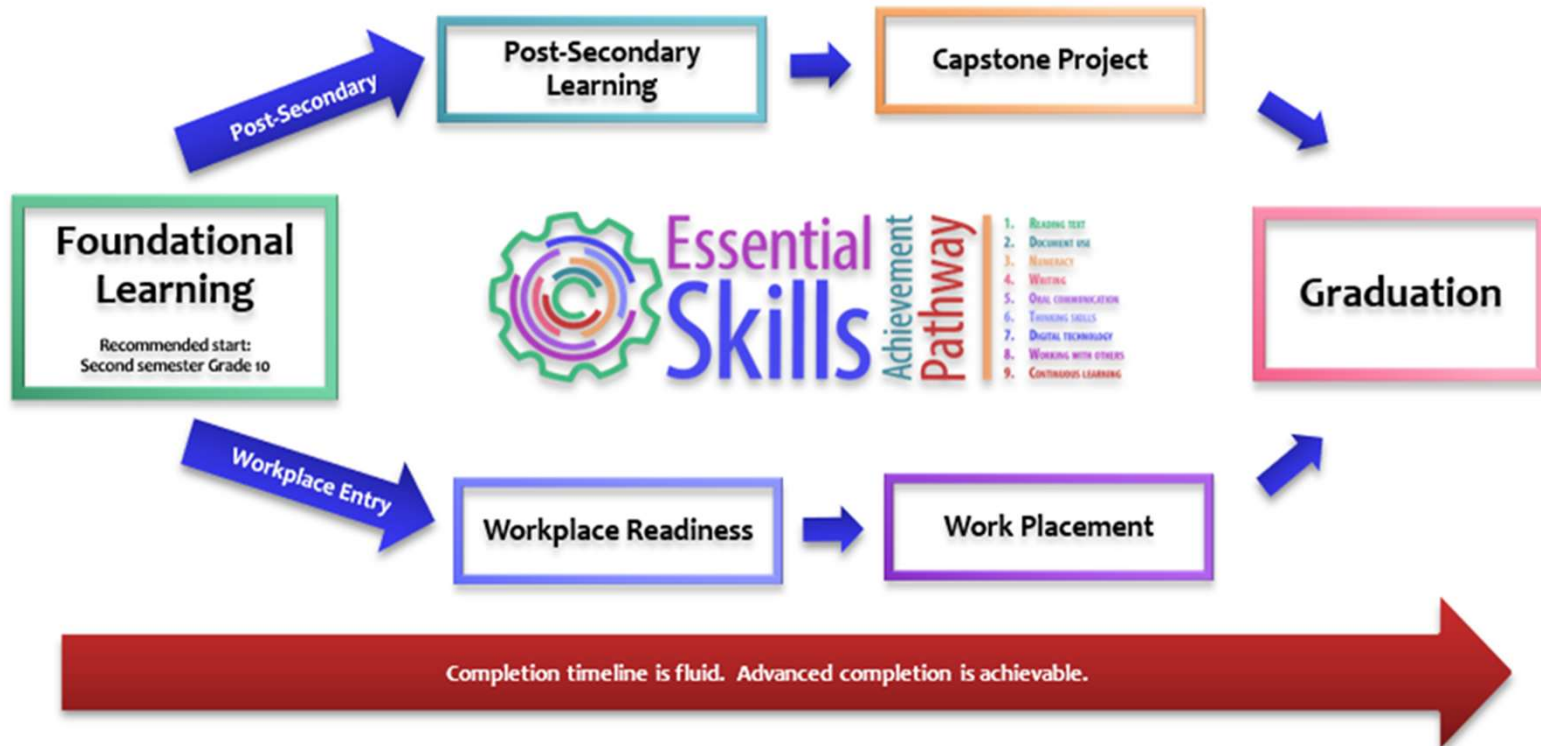

Different pathways to know:

High school is a time to figure things out. You may not know (some do, some don't) what you want to do in your future. There are different routes or pathways available. Your program can be more individual at High School, you are the driver and need to be engaged in the process!

1. Academic High School Diploma
2. Provincial Certificate of Accomplishment
3. Essential Skills Achievement Pathway (ESAP)
(This is new... a pilot (trial) only at Gray and Montague next year in grade 10 accepting only 10 students!)

Essential Skills Achievement Pathway (ESAP)

- 1) Foundational Learning takes place 2nd semester gr. 10 to 1st semester gr.11. Students demonstrate competencies and determine their career goal.
- 2) Students select either Post-Secondary **or** Workplace Entry branch. 2nd semester gr. 11 to 1st semester gr.12.
- 3) Students complete a Capstone Project **or** complete a 400 hour Work Placement. Once all 3 components are completed/passed, high school diploma is granted.

PEI Provincial Course Requirements for High School Graduation

A minimum of 20 credits...

- ▶ 3 English credits – Grade 10, 11, & 12
- ▶ 2 Math credits
- ▶ 2 Science credits
- ▶ 2 Social Studies credits – one must have Canadian content
- ▶ PED401A or PED401AF and CEO401A
- ▶ 1 credit identified as a creativity, an innovation course **OR** a French course

+

- ▶ 8 electives

5 of the above 20 credits must be at grade 12 level (600 or 800)

How things are different:

Class time, course codes, choices, responsibility.

You will take 4 courses starting in September. Courses end in January and you start 4 new courses. (A total of 8 courses/year)

Classes are 75 minutes long.

It is a 2 day schedule (Day 1 (A,B,C,D) and
Day 2 Some call day 2 the flip day: (B,A,D,C)

Course numbering or codes give you more information. (See handbook page 7 and 8)

Examples:

- ENG 421A - **Academic** level (University/College)
- LAW 531A - **General** Level (Some College)
- WEL701A - Open level (Elective)
- CUL801A - Open level (Elective)
- MAT 651 - Practical level (Transition)

Grade 10

Grade 11

Grade 10 or 11

Grade 11 or 12

Grade 12

Why it is very important to do an accurate course selection/registration:

- ▶ Courses selected by students has a huge impact on whether a course is offered, if a course is offered and how many sections (how many times in the year or semester) it is offered.

**not every course is offered in each block or section of the timetable.*

- ▶ The school's Master Schedule is different each year because it is built depending on the choices of all students.
 - ▶ It is your responsibility to ensure courses you choose meet the graduation requirements.
 - ▶ Review carefully with your HmRm teachers.
- 

Gr 10 has mandatory course areas and room for some choice :

Academic (would include pre-IB)	French Immersion
ENG421A (or B if Pre-IB) MAT421A (or B if Pre-IB) SCI421A (or B if Pre-IB) HIS421A and/or GEO421A PED401A or PED401F-Fit CEO401A 2 elective courses	ENG421A FRE421F MAT421A SCI421A HIS421G PED401A or PED401F-Fit CEO401A 1 elective course
General	Certificate of Accomplishment
ENG471C * B and A by teacher... MAT421K SCI431A CAS401A Gr.10 PED401A or PED401F-Fit CEO401A 1-2 elective courses	ENG471A MAT451A SCI461A SOC451A Gr.10 PED401A or PED401F-Fit CEO401A 2 elective courses

English course selection:

EAL 701 A, B, C or D? *Assessments provide recommendation*

ENG421 A (academic),

ENG421 B (pre-IB) and

ENG471 (a focus on literacy intervention) :

- ENG471A/B: Focus is on essential literacy skills and designed for students who are below grade level.
- ENG471C: For students who are “approaching expectations”, and may have a goal to transition to ENG421A or ENG571*** depending on success.

These are Pass/Fail courses with an individual focus on progression of skills and abilities.

What Math program should I take?

Skilled Trades Labour Force	Social Sciences Business Skilled Trades	Business Engineering Science
MAT421K	MAT421A MAT421B (pre IB)	MAT421A MAT421B(pre IB)
MAT521K	MAT521A	MAT521B Elective MAT521A
MAT801A	MAT621A	MAT621B MAT611B

KEEP IN MIND:

THE KEY IS TO BE IN THE CORRECT COURSE FOR YOUR ABILITY! WE WANT TO SET YOU UP FOR SUCCESS!

- ▶ Register in courses at the appropriate level. This is based upon the evidence of your work. (Not the hope to do better next year 😊)
- ▶ You need to include alternate courses in case of a scheduling conflict. Choose something you want to take because you may get that alternate course!
- ▶ RES401A may be recommended by your teachers. This is to help you succeed in High School.
- ▶ Grade ten is an important foundation year. Focus on grade 10 and skills for the future.

Grade 10 course choices:

Required Courses

- 

SPECIAL OPPORTUNITIES & PROGRAMS at COLONEL GRAY

- ▶ Colonel Gray's students can register for Academy Diploma Program in Business and Innovation.
 - ▶ FI students can write the D.E.L.F exam in Gr. 12 to have an internationally recognized certificate of their abilities.
 - ▶ Fine Arts opportunities.
 - ▶ Band. **GRADE 10 is A GREAT OPPORTUNITY!** (need Grade 10 Band to continue on and perform in Jazz or School Band).
 - ▶ CTE – Students completing 6 credits from the Career and Technical Education(CTE) Skilled Trades Course Selections area, with a minimum of 70 % in each course will receive a Colonel Gray CTE Skilled Trades & Applied Sciences Certificate.
 - ▶ IB students – Internationally recognized diploma programme.
- 

What is the IB Diploma?

- The International Baccalaureate (IB) Diploma Program is a challenging two-year high school curriculum offered in high schools around the world.
- It leads to a qualification for acceptance, credit and scholarships that is widely recognized by the world's leading universities.
- IB Diploma students take courses in **six** areas in grades 11 and 12.

What are we looking for in a Pre-IB/IB Student?

Learners

Any student who wants to take Pre-IB or IB is allowed and encouraged to make that choice (application and

Openness

Students should be open and willing to learn about themselves, others, and the world. To do so, they must be able to manage their time and accept help and constructive criticism from their team.

Learner Profile

Inquirers, Knowledgeable, Thinkers, Communicators, Principled, Open-Minded, Caring, Risk-takers, Balanced, Reflective

Work Ethic

Factors that are difficult to test -- such as work-ethic, perseverance, ability to accept criticism, curiosity, a sense of humor, empathy -- are just as important as intelligence in Pre-IB / IB classes

Pre-IB (Gr 10)

Note: Students apply to the grade 10 pre-IB at the school in which they are zoned for grade 10. Out of zone students need to complete an **out of zone transfer** with the PSB and their current school. The PSB will determine the placement of the student.

What do we do in Pre-IB Courses to Prepare for Success?

Think about a ramp or a staircase as a metaphor for Pre-IB (we are transitioning from Intermediate level and building skills needed for later)

Pre-IB courses in the following:

- English
- Math
- Science

To apply to Pre-IB, an application form must be completed.

Interested students to apply for Pre-IB in Grade 10 at Colonel Gray do an on demand piece of writing at our school. (March 29th 2022)

Where do I get more information?

- <https://colonelgray.edu.pe.ca/>
- <https://sites.google.com/cloud.edu.pe.ca/ibatcolonelgray>
- Talk to a former IB student or parent.
- Contact a future university. What is their IB policy?
- Talk to IB teachers
- Make an appointment with the IB coordinator.
- Do some **research** on line- you will find the good, the bad and the ugly!

Thank you for your interest in the program and please feel free to contact me if you have any questions.

Student Responsibilities :

- ▶ Review courses with teachers and parents.
- ▶ Submit your course selections using MyBlueprint by the deadline. (Gr 9: March 11th, 2022)
- ▶ Be familiar with our website and the code of conduct.
- ▶ Do your very best in Grade 9!
- ▶ Review selections in May–June 2021 with Grade 9 Home Room teacher to confirm.

**Colonel Gray
High School**
HOME OF THE COLONELS

Code of Conduct

I will **respect** those around me: their individual right to learn and their ethnic, racial, and cultural differences.

I will **respect** myself and others through dress, manners and appropriate language.

I will display good citizenship at home, school and in the community, and respect school property and the property of others.

I will **respect** my educational opportunities and my responsibilities as a student.

I will respect school procedures, decisions, and consequences.

Our school:

Scent Free and Peanut Free* Mask wearing, Distancing...

Setting you up for **success**, REMEMBER:

- 3 levels of courses at the high school : academic, general and practical. (codes are important)
- Register in courses that are at the appropriate level for you!
- **Ask questions!** Talk to your grade 9 subject teachers and ask questions of us at Colonel Gray.
- Choose elective courses that align with interests, try new things.
- *Right now, focus on grade 9 to get to grade 10 :*
 - Attend regularly and hand in work on time.
 - Have a positive attitude.
 - Learn self-regulation & problem solving.
 - Communicate.
 - Get involved, clubs, sports, volunteer.
 - **14+ sports, Band, Math competitions, spirit days**
 - **An EXCELLENT ACTIVE FUN STUDENT COUNCIL!**
 - Connect and have healthy habits.

Your role
