We recommend that parents/families do not drop off any students until 8:05-8:10 AM or later in our school parking lot for the breakfast program and open gym. Thank you for your support as we start back to another terrific school year.

## LUNCH BREAK

Our grade 7 students remain at school during lunch time. Our grade 8 and 9 students are permitted to leave school grounds. Areas have been marked off in the cafeteria for each grade level. Students may choose to take a lunch from home or purchase from our cafeteria. Please take a look at our lunch and menu options below. We have a new in-house food vendor "Generation Fresh", who will offer a great variety of fresh and local food at lunch and snack time every school day. As well, the PEI School Food Program Inc. will offer online ordering for lunch.

## WELCOME TO QC – "GENERATION FRESH"

We are excited to announce "Generation Fresh" will be joining our QC Coyotes Team as our in-house food vendor. Each school day, we will have fresh, locally grown, and nourishing food choices in our school cafeteria for our lunch menu and snack options. Nut free, gluten free, dairy free and vegetarian options will be available. "Generation Fresh" will be ready to welcome and serve some fantastic food choices to all students and staff on the very first day of school. "Generation Fresh" will be offering reloadable lunch cards to purchase school lunches and can offer a choice to pre-load the card with spending money remotely from home, if you did not want your student to carry cash. "Generation Fresh" is also connected to the PEI School Food Program as a lunch provider for many feeder schools and a local high school. Please click the link below to start eating "fresh".

## PEI SCHOOL FOOD PROGRAM INC.

PEI's School Food Program Inc. will be rolling out again this fall. Healthy, nutritious food is important for student achievement. Working with the Government of Prince Edward Island, we want to ensure that nutritious lunches are available to as many students as possible. PEI School Food Program Inc. will provide an opportunity for families to order healthy lunches five days a week. Meals will be prepared and delivered directly to schools at lunch time by local food service providers. Nut free, gluten free, dairy free and vegetarian options will be available. The School Food Program Inc. will be Pay What You Can. Families can now prepare for the upcoming school year by registering for the program here: <https://www.peischoolfood.ca/>

## SCENT-FREE POLICY

At Queen Charlotte we have a significant number of students and staff that are very sensitive to fragrance and other scented products. Students and visitors to our school are reminded of the Public Schools Branch Scent-Free Policy which prohibits scented products from being used at school. Thank you for respecting this policy by not wearing any scented products while at Queen Charlotte Intermediate

## **DROP OFF/PICK UP ZONES**

If you are dropping your child off in the Simmons parking lot, please use the entrance closest to the Simmons Arena, we will have pylons and staff to help guide all drivers. Remember to turn right only as you leave the parking lot.

The other drop off location is on the right-hand side of North River Road - across from the front entrance of our school. As you drive down North River Road, as you pass the front part of our school, veer slightly to your right as you begin to stop. Put your blinker on, stop to let your student out, and then as you drive away, proceed back into the traffic flow down North River Road in the right-hand lane. When the student exits the vehicle - try to use the right-hand side doors only as you leave the vehicle. Each student will need to walk back to the crossing guard location and remember, do not cross the road unless you are at the crossing guard safety zone.

These zones can be used for pick-up, after school, however, please be mindful that at the end of the school day you would need to find a parking spot to wait for your student. Please watch for buses entering, turning, and exiting in the parking lot and drive slowly to ensure everyone is safe.

We thank all parents/families in supporting a safe and efficient drop off/pick up for all students each and every day.

## **PEANUT-FREE ZONE**

Please be aware that we have students at Queen Charlotte that have severe life-threatening allergies to peanut products. We would appreciate your support in eliminating their use in prepared lunches.

## **BUS PASSES**

At the present time, students are only permitted to travel on their assigned buses. Bus passes are not available.

## **ATHLETICS**

Thank you to all students for your participation and coaches for your dedication as we get the 2022-2023 school year of athletics here at QC underway with tryouts for fall sports. These include soccer, volleyball, field hockey, baseball, cross country and golf. Athletes are reminded to please return your release forms to the Phys Ed office, listen to announcements and check the athletics schedule posted on the PE board in the gym hallway.

Once teams are finalized, and league schedules are released, athletes will receive a schedule which will also be posted on the PE board.

We will also have intramural sport opportunities for all students during lunch hour, students are encouraged to listen to announcements and check the PE board for the intramural schedule.

## **PUBLIC SCHOOLS BRANCH ATTENDANCE POLICY**

Queen Charlotte along with the Public Schools Branch will be following the Attendance and Engagement Procedure and is seeking the full cooperation from parents/guardians in promoting regular school attendance and punctuality for students. Student achievement is impacted whenever a student misses school. The policy outlines procedures and responsibilities for students, parents and staff to ensure students are successful in their learning. More information is available on the Public Schools Branch website ([www.gov.pe.ca/edu.psb](http://www.gov.pe.ca/edu.psb)), go to ABOUT THE PSB and click on POLICIES AND PROCEDURES.

If you know your child is going to be late or absent for the day, parents please email the homeroom teacher or call the school. If you are unable to email or call, please send a written note when your child returns to school.

If your child is aware they are leaving during class time for an appointment, etc. please email or send a written note with your child to give to their teacher.

If you need to pick your child up during class time and your child is unaware that they are leaving and do not have a note, please come into the office. Please email the homeroom teacher or send a note with your child when they return to school.

Scholastic book orders are sent monthly from the library; more information is on the website. We will also be hosting a Scholastic book fair from November 21-25.
